

# Cookies and Conferences

Wednesday, January 18<sup>th</sup>  
5:30-6:00pm  
Sullivan Hall K-2 Classrooms

## Attention families of students in grades K-2,

As part of our school's implementation of the Leader in Me program, our Primary grade students have been building and maintaining Leadership Notebooks. These notebooks serve as a platform for students to set academic goals, track and monitor their progress, and celebrate successes.

We would like to invite you to our first **student-led** conferences. *This is not a parent-teacher conference.* Instead, your child will have an opportunity to share their Leadership Notebook with you and discuss the progress that they have made in reaching their goals. Classrooms will be open to all families from 5:30-6:00pm for this event. Because several families may be in attendance during this time, please save individual questions about your child's progress for a scheduled parent-teacher conference. The purpose of this event is to encourage students to take ownership of their learning and showcase the progress they have made this far.

*If you are able to attend, please RSVP via the Sign-Up Genius link provided on Class Dojo.*

After our Cookies and Conferences event families can move to the Cafetorium for our annual Parent Night. Here, families can learn about the 7 Habits through student led performances and videos from various grades K-8. We look forward to welcoming you for a night focused on the 7 Habits and highlighting student leadership!
